Notice of updates published March 2024.

- Immaterial updates.

## 1.2 Covered Benefits - Molina Healthcare of Ohio (Medicaid)

Benefit Plan(s): M-OH-M

Benefit	Benefit Limitations/Criteria
Exam	<ul style="list-style-type: none"> <li>1 service date every year.</li> </ul>
Exam Replacement	<ul style="list-style-type: none"> <li>Covered in accordance with frame and lens replacement benefit frequencies when one of the following criterion is met:               <ul style="list-style-type: none"> <li>The member is unable to return to or obtain the prescription from the previous provider AND criteria for replacement frame and lenses are met.</li> <li>A replacement exam is necessary to determine a vision change AND criteria for replacement frame and lenses are met.</li> </ul> </li> </ul>
Frame	<ul style="list-style-type: none"> <li>1 unit every year.</li> <li><b>Frame must be selected from the March frame kit.</b></li> </ul>
Frame Replacement	<ul style="list-style-type: none"> <li>1 unit every year.</li> <li>Replacements must be due to normal wear and tear only and is subject to the same minimum lens criteria as initial lenses. Documentation of replacement must be attached to the claim.</li> <li>One complete frame and pair of lens per 12 month period.</li> <li>Additional replacements are available when medically necessary, which by definition means that without the service the member can expect to experience impairment of function.</li> <li><b>To identify replacement frames, please bill using modifier code RA in conjunction with the current and appropriate HCPCS code(s) for frames.</b></li> </ul>
Deluxe Frame	<ul style="list-style-type: none"> <li>10% discount, 1 unit \$10 allowance every year.</li> <li>Members may waive the standard frame selection and opt for any frame shown at the provider's location. Members then receive the "Ten plus Ten" frame benefit. The member receives a courtesy 10% discount on the retail price and March provides a ten dollar (\$10.00) frame allowance. The member pays the reduced fee directly to the provider. The provider bills March for the deluxe frame using the code V2025.</li> <li><b>Provider is responsible for the cost of traceable shipping of a non-March frame to the March lab for lens fabrication.</b></li> </ul>
Deluxe Frame Replacement	<ul style="list-style-type: none"> <li>10% discount, 1 unit \$10 allowance every year.</li> <li>Replacements must be due to normal wear and tear only and is subject to the same minimum lens criteria as initial lenses. Documentation of replacement must be attached to the claim.</li> <li>One complete frame and pair of lens per 12 month period.</li> <li>Additional replacements are available when medically necessary, which by definition means that without the service the member can expect to experience impairment of function.</li> <li><b>To identify replacement frames, please bill using modifier code RA in conjunction with the current and appropriate HCPCS code(s) for frames.</b></li> </ul>
Lens (Single, Bifocal, Trifocal, Polycarbonate)	<ul style="list-style-type: none"> <li>2 units every year.</li> <li><b>Lenses must be provided by the March lab. Please refer to Exhibit D in the Provider Reference Guide for lab information.</b></li> <li>Glass lenses, UV lenses, and photochromatic lenses are a covered benefit if medically necessary.</li> <li>Lens prescriptions must be at least: +0.75 sphere or -0.50 sphere, 0.50 cylinder, 0.50 diopter imbalance, 0.50 prism diopter vertical, or 3.00 prism diopter lateral. These prescription minimums apply to new, duplications and changes in prescription.</li> <li>Lens prescription changes must still meet the lens prescription minimum requirements as stated in the above paragraph and must be at least: +/- 0.50 sphere, +/- 0.50 cylinder, 10 degrees for a 1.00 cylinder or less, or 5 degrees for a 1.12 cylinder or more.</li> </ul>

Benefit	Benefit Limitations/Criteria

## 1.5 State Mandated Guidelines

Per Ohio Administrative Code 5101:3-6-07, CPT 92015 (refraction) cannot be billed in conjunction with general ophthalmological service codes. In accordance with this Code, March will not provide reimbursement for CPT 92015 (refraction) when billed in conjunction with CPT codes 92004, 92014, 92002 and 92012.

The following provisions are required for Providers in the state of Ohio:

1. Use of the Council for Affordable Quality Healthcare (CAQH) application for all Providers completing credentialing and recredentialing;
2. Credentialing and recredentialing applications are processed within ninety (90) days of receipt date;
3. In the event missing information is discovered on the credentialing application, Providers must be notified in writing within twenty-one (21) days of discovery;
4. Documentation of written practice protocol for all nurse practitioners, with a Practitioner Provider;
5. Recredentialing process includes review of Quality of Care and Quality of Service complaints;
6. PHI is not transferred by Provider outside of the United States or its Territories;
7. There is no sub-delegation of Credentialing functions to offshore organizations;
8. Provider and/or Participating Providers may not be debarred, suspended, proposed for debarment, declared ineligible or otherwise excluded from participation in transactions by any federal agency;
  - a. Report civil or criminal convictions of any individual(s) with an ownership or controlling interest of five percent (5%) or more or who is a managing employee, within five (5) business days of discovery; and
  - b. Report for cause termination of any individual(s) with an ownership or controlling interest of five percent (5%) or more or who is a managing employee, within five (5) business days of discovery.
9. Credentialing policies state that practitioners will not be discriminated against based on race, color, religion, gender, sexual orientation, age, disability, national origin, military status, health status, or ancestry, or need for health care services; and
10. Pursuant to OAC rule 5160-26-05(D)(24), third party administrators must include the elements in paragraph D in its subcontracts;
11. Provider will maintain a list of Practitioner Providers and other employed individuals, including administrative staff, with five percent (5%) or more ownership or controlling interest in Provider group. List should be produced as requested, and within five (5) business days of request; and
12. In the event an excluded individual is discovered through ongoing monitoring processes, Provider will:
  - a. Report civil or criminal convictions of any individual(s) with an ownership or controlling interest of five percent (5%) or more or who is a managing employee, within five (5) business days of discovery; and
  - b. Report for cause termination of any individual(s) with an ownership or controlling interest of five percent (5%) or more or who is a managing employee, within five (5) business days of discovery.
